

Required Application Documents

Dear prospective students,

The following documents are usually required for your IMM application. For active seafarers, who might be at sea during the application period, we strongly recommend to provide a person of trust with a letter of attorney to act on your behalf.

In most cases, the following documents are needed:

- Bachelor certificate, diploma certificate or equivalent (officially certified), alternative certificates:
 - Evidence of attainment of at least 180 credits points for a qualification with a maximum of 210 credit points (original or officially certified)
 - Evidence of attainment of at least 150 credits points for a qualification with a maximum of 180 credit points (original or officially certified)
- Evidence of at least one year's practical work experience (original or officially certified)
(The Bachelor degree or the practical work experience must be related to a maritime-logistics field.)
- University entrance qualification with indication of the average grade
- Evidence of nature and duration of studies at another university and any periods of absence
- Evidence of de-registration from universities previously attended
- Copy of ID card, passport or birth certificate
- CV in tabular form
- Photograph (in colour) – preferably as file (format: 45 x 35 mm)
- Current certificate of statutory health insurance with member number (in case of private health insurance, please submit a certificate from a statutory health insurance organisation confirming your release from the insurance obligation)
- Evidence of English language skills at level B2 according to CEFR
