

How to apply for IBS via uni assist

Application deadline

01 April - 15 August for winter semester starting in September

Because regulations and documents vary widely among different countries, we use the services of a third party called "uni assist", where specialized experts for every country of origin take care of your documents.

At first, please create an account at [uni assist](#) and

- complete the online application,
- transfer the service fee of **75 €** as per [this website](#),
- submit all required documents in paper form as [certified copies](#) to uni assist,
- please do not forget to **sign** your application.

Your application will be processed as soon as these four preconditions have been fulfilled.

Note

Please consider a [processing time](#) of about four weeks. We recommend an **early application** and submission of your documents to avoid any delay.
