International Maritime Management (Examination regulations Version 2021)

Application for admission to the Master's thesis

Fee paid? yes no
Registration: at any point after fulfilling the requirements
Thesis to be completed within: five months
Extension: max. one month (on application to the Dean of Studies, with supporting evidence for delay)

According to Section 4, Para. 1 of Section B (special section) of the examination regulations for the International Maritime Management Master's course, dated 17 November 2021 (official gazette No. 171/2021 of Jade University of Applied Sciences Wilhelmshaven/Oldenburg/Elsfleth, dated 16 December 2021, as amended), you may be admitted to the Master's thesis if you have passed all modules with a total of 60 credit points, which are assigned to semesters 1 to 4.

Upon application to the Dean of Studies or to the appointed Examination Board, you may also be admitted to the Master's thesis even if a maximum of 12 credit points are missing, if the examination can be retrospectively taken within one semester without negatively affecting the Master's thesis.

I apply to the Dean of Studies for admittance to the Master's thesis despite a maximum of 12 credit points missing.
